The class of 1968 is pictured at its May 28 graduation when the 70 members formed a circle to sing their class song, "The Lord is My Shepherd," as a farewell after receiving their diplomas and hoods. A total of 36 of the graduates have been certified to teach--17 are now teaching in Tennessee and 14 in other states.

ALUMNI, WHERE ARE YOU?

--Charles '62 and Sandra (Sorrell) '63 Westgate

Last year a southern college hired a detective agency to "dig up" some of its missing alumni. After much searching the agency reported it had "unearthed" over 1000 missing alumni--the discovery resulted in alumni gifts amounting to over \$1,000,000.

Last year another southern college hired a two-person detective agency for a somewhat similar and yet different assignment--to locate young people who needed an academically sound and spiritually secure education. Our search for Christian young people took us into Christian and public high schools, Bible colleges, churches, youth meetings, and individual homes. In a numerical sense the year was profitable and a great number of new people were introduced to the benefits of receiving their education at Bryan.

Although student recruitment was our main assignment, we began traveling with a three-fold purpose in mind: (1) to reach young people for Jesus Christ, (2) to strengthen the cause of Christian education, and (3) to promote Bryan College.

One of the most enjoyable parts of representing the college was meeting our Bryan friends, particularly the alumni. During the year the two-person sleuth team was able to locate over 200 missing alumni--they weren't missing physically, but many had been missing

out on the blessings and progress of the college and some had lost personal contact with the college. We still have over 2000 alumni to "unearth." Perhaps you are one of the 2000 we'll attempt to see this year.

This fall we are "hitting the road" again in quest of prospective students, alumni and persons interested in Bryan. Our year can be more successful and our goal of helping Bryan grow can be realized if we receive some help from each alumna and alumnus. Excuse the anagram, but for brevity's sake it will explain how you can help.

Be excited about what the Lord is accomplishing at Bryan;

Recruit Christian young people to attend Bryan;

Yell the news about Bryan in your church, school, and neighborhood;

Arrange to meet us and have alumni get-togethers when we're in your area;

Name the College and its need to God as you pray.
